

## Crews Conducting Assessment on Sewer Force Mains around the Valley

The Clark County Water Reclamation District (District) is conducting an assessment of sewer force mains around the Valley. Work will include potholing, installing testing equipment and removing and replacing portions of the pipeline for further testing.

### **TRAVEL ADVISORY**

**Dates: November 30, 2011 through at least December 30, 2011**

**Streets: Meranto and Rainbow  
Tierra Buena and Charleston  
Broadbent Boulevard  
Near Whitney Elementary School (through December 13)**

**Work will continue through at least February, 2012. Intermittent traffic delays only during work activities. Work is conducted daytime hours, Monday through Friday.**

While work is taking place, drivers should be aware of potential delays, take precautions, and allow extra time when traveling through the impacted area. For more information and traffic updates, drivers can call the project hotline at 668-8668, or visit [www.thelvpipeline.com](http://www.thelvpipeline.com). #### **About the District:**

The Clark County Water Reclamation District was created in 1954. It services the unincorporated portions of Clark County, within the Las Vegas Valley, as well as the communities of Blue Diamond, Indian Springs, Laughlin, Moapa Valley and Searchlight. The District collects and treats nearly 100 million gallons of wastewater each day utilizing more than 2,000 miles of pipeline and seven treatment facilities.
