

Sewer Work on Eastern and Tropicana to "Rock Around the Clock"

The Clark County Water Reclamation District (District) is announcing a change in the work hours of the sewer rehabilitation project on Eastern Avenue.

TRAVEL ADVISORY

Dates: June 13, 2011 through at least July 15, 2011

Streets: Northbound Eastern Avenue traffic will be reduced to one travel lane from north of Reno Avenue through the intersection at Tropicana Avenue. Eastbound Tropicana Avenue traffic will be reduced to one travel lane from west of Burnham Avenue to Topaz Street. One left turn lane from westbound Tropicana Avenue to southbound Eastern Avenue will be restricted. Access to driveways will be maintained.

In an effort to finish the sewer rehabilitation work in the intersection of Eastern Avenue and Tropicana Avenue, work will be conducted seven days a week, 24 hours a day.

While work is taking place, drivers should take precautions, use alternate routes and allow extra time when traveling through the impacted area. For more information and traffic updates, drivers can call the project hotline at 668-8668, or visit www.thelvpipeline.com. For updates, you can follow us on Twitter at <http://Twitter.com/Cleanwaterteam>.

About the District:

The Clark County Water Reclamation District was created in 1954. It services the unincorporated portions of Clark County, within the Las Vegas Valley, as well as the communities of Blue Diamond, Indian Springs, Laughlin, Moapa Valley and Searchlight. The District collects and treats nearly 100 million gallons of wastewater each day utilizing more than 2,000 miles of pipeline and seven treatment facilities.
