

Sewer Work on Eastern and Tropicana Comes to an End

The Clark County Water Reclamation District (District) is announcing the end of the sewer rehabilitation project on Eastern Avenue and Tropicana Avenue.

TRAVEL ADVISORY

Dates: July 18, 2011 through at least July 29, 2011

Streets: Intermittent lane restrictions on Northbound Eastern Avenue from north of Reno Avenue through the intersection at Tropicana Avenue, and Eastbound Tropicana Avenue traffic from west of Burnham Avenue to Topaz Street.

Expect intermittent lane restrictions during final paving operations.

While work is taking place, drivers should take precautions, use alternate routes and allow extra time when traveling through the impacted area. For more information and traffic updates, drivers can call the project hotline at 668-8668, or visit www.thelpipeline.com. For updates, you can follow us on Twitter at <http://Twitter.com/Cleanwaterteam>.

About the District:

The Clark County Water Reclamation District was created in 1954. It services the unincorporated portions of Clark County, within the Las Vegas Valley, as well as the communities of Blue Diamond, Indian Springs, Laughlin, Moapa Valley and Searchlight. The District collects and treats nearly 100 million gallons of wastewater each day utilizing more than 2,000 miles of pipeline and seven treatment facilities.
